S T 2. M A S S	Occupied by Hungarian troops. Three armored vehicles with solid superstructures, apparently SP guns, left the barracks.	
s s c	The crews were Hungarian. Military quarters on Apaca Street ***	
	A Hungarian unit of about company strength left the quarters. The soldiers were armed with Soviet infantry rifles and equipped with some light machine guns of Soviet origin and two heavy Maxim machine guns transported on carts. They had practice targets and duranks with them.	
(1	Comment :	
本	* Only component units of the 5th Border Guard Bn are known to be stationed in Gyoer. However, as there were several vacant barracks in Gyoer it is considered possible that other Hungarian troops may have been moved to the post.	
એ	** The Frigyes Barracks had not been occupied by Hungarian troog up to early 1949.	p s
7 3 4	*** Only a recruiting office was observed in the barracks on Apa Street in early 1949.	CZa
